Subject: DC Updates

Persons D1/D2–

A few notes from my meeting with the principal this afternoon.

1. We have been offered the op/ed slot for the Hill on Monday. I spoke with [REDACTED] and he is interested. Can one or both of you take a run at a first draft. I need this by 300pm DC time to get to [REDACTED] He will review it.
2. He liked the idea of an apology letter to the members for the meetings he missed. I will draft that for his review.
3. Attached is the final agenda for his meetings tomorrow.

Let me know when you are free to discuss the op/ed draft.
